

**Committee for  
Tactical Emergency Casualty Care**  
Fall Meeting – December 13 & 14, 2016  
Arlington, VA

**MEETING LOGISTICS**

**Air Travel**

Of the airports serving the National Capital Region (DCA, IAD and BWI), Reagan National (DCA) is probably the most convenient, as it has convenient access to the Metro transit system.

**Ground Transportation**

The easiest route from DCA to the meeting hotel is either by cab, or to take the Metro. Start on the Blue Line train (north toward Largo Town Center). At Rosslyn Station, transfer to the Orange Line train (west toward Vienna). Get off at the next stop (Court House Station).

From IAD, there are several combinations of bus and train, or cab. Check your favorite route planner, but be advised that arriving in the NCR during rush hour is going to mean roads and transit are very crowded. Traffic sucks in DC. Get over it...

Our hotel is one block from the Court House Station, in Arlington.

Transport between the hotel and the meeting site is by walking (about 1 mile), by cab, or by Metro (1-2 stops on the Orange Line). From Court House Station, take the Orange line (west toward Vienna). You can get off at the next stop (Clarendon) and walk southwest for 1½ blocks, or at the Vienna Square stop and walk northeast for 1½ blocks. There are good coffee options along either route.

**Lodging**

Our room block is at the Hyatt Place Arlington/Courthouse Plaza. They have set aside 20 rooms at the rate of \$169/night, plus taxes (actually a bit below GSA per diem).

You are responsible for making your own reservations for lodging. Please ensure you ask for the C-TECC block, and confirm the rate at \$169/night. The block is for the nights of December 11-13<sup>th</sup> (with the expectation that a few people would arrive early, and all will depart after the meeting ends on the 14<sup>th</sup>). The deadline for accessing the room block is November 11<sup>th</sup>. Per our room block contract, individual cancellations must be made within 24 hours of arrival, or you risk a one-night charge. Breakfast and Wi-Fi are included.

Please follow these steps to access the C-TECC group rate:

- Enter arrival and departure dates
- Click on Check Availability
- Reservations will require a credit card for guarantee

Reservations can also be made via phone at 888-993-4751.

## **Meeting Location – 3351 North Fairfax Drive, Arlington, Virginia**

The meeting is being hosted, and the space generously donated by the George Mason University's High Threat Institute (part of the Schar School of Policy and Government and the Centers on the Public Service).

We will be meeting at their Arlington campus, in Founders Hall. The room will be announced prior to the meeting, but there will be also be signage, and the information desk staff will be able to direct you.

The best access to the building is via the main doors on the south side of the building, through the plaza off North Fairfax Drive.

## **Visitor Parking – Founders Hall Parking Garage**

Visitor parking is available in the Founders Hall Parking Garage. Currently the rates are \$3/hour with a daily maximum of \$15 Monday-Friday. Access the garage from the north side of the building.

## **Agenda**

An agenda and schedule will be published.
