

International Outreach Working Group

International Outreach Working Group

- Erik Vu, MD
- Geoff Shapiro
- Mark Anderson
- ***ALL OF YOU!***

Objectives

- Proactively identify outreach and partnership opportunities
 - Equivalent organizations
 - Australian Tactical Medical Association (ATMA)
 - Tactical Rescue and Emergency Medical Association (TREMA – Germany)

- High profile jurisdictions with a history of major incidents or are known to have developed unique capabilities
 - London
 - Paris
- Jurisdictions known to have upcoming events that may benefit from C-TECC engagement
 - Tokyo

- Facilitate C-TECC response to international inquiries
 - Italy
 - Mexico
 - Brazil

Opportunities & Issues

- “Formal” partnerships with similar organizations
 - What does that look like?
 - Designated liaison positions?
- Designated liaisons from important jurisdictions
 - Board of Advisors appointment?
 - Individual invitation vs. agency designation?

Opportunities and Issues

- International private-sector training organizations
 - Reports of companies claiming exclusivity...
 - Misuse of C-TECC trademarked material...
- Official vs. individual TECC outreach
 - Conferences...
